

# LIVE YOUR DREAMS!

## DREAM COLLAGE INSTRUCTIONS

Make your dream collage using magazines or your own artistic ability to create a visual representation of what LIVING YOUR DREAMS would look like, feel like and be like. Remember this collage is meant to inspire you and keep you focused on taking action toward your ultimate vision of your life. Your mind doesn't know the difference between a real or imagined event so just think that whatever you create can and will be your life in the very near future!
